I would like for my claim to continue to be considered. All evidence was sent in 2018. I have a valid claim to receive the sum of money owed to me pursuant to the judgment entered in case KPE 2005-0608. I do not wish to be eliminated from any consideration or list pending. It would not be fair for my claim to be dismissed, something that was won in the Superior Court of San Juan. I do not know why, on the list of names with the amount of the claim, it states that the amount is "Undetermined", because I sent the amount of the claim for monies owed to me to the Financial Oversight and Management Board in 2018.
